Harcourts West presents this stunning residence that will leave you impressed from the moment you walk in. A light-filled open study/sitting area flows past an elegant downstairs master bedroom with its fully fitted walk-in robe and designer en-suite. If you love to entertain, this home won't disappoint— the large open plan living/dining area is complemented by a sophisticated kitchen complete with soft-close drawers, 40mm stone benchtops, and an island bench. Sliding doors offer seamless access to the large paved area with a sunshade and low-maintenance, family-sized yard, perfect for the whole family. Ascending the stunning timber staircase, the sense of space continues with three well-sized bedrooms, all featuring fully fitted mirrored built-in robes. Additionally, there is a large contemporary family bathroom and a separate toilet. A powder room and fully fitted laundry have been intelligently integrated as well. Quality appointments include ducted heating, an abundance of storage, downlights throughout, and a single garage with internal access. Situated within close proximity to Brimbank Shopping Centre, Ballarat Road strip shops, Cairnlea Shopping Centre, schools, public transport, parklands, and easy access to the freeway via the Western Ring Road, this location is second to none.
