Auction

Auction Location: On Site, Unless Sold Prior This is a rare opportunity to secure an entry-level free-standing homestead in a quiet cul-de-sac location. Nestled amongst a well established exotic garden this 3 bedroom home features a generously proportioned open-plan living/dining area with a paved outdoor area ideal for entertaining. The master bedroom enjoys a walk-in wardrobe and ensuite with a separate toilet. The second bedroom also features built-ins with all bedrooms enjoying great garden outlooks. There is an internal laundry and also a lock-up garage. Nice neighbours, a very quiet street. This property is ready to live in now or poised for an update which would no doubt result in capital growth as the property conditions improve into 2025. This is worth a look even just to hold for the potential future growth.
