This 3 bedroom home combines relaxed family living with stylish entertaining spaces, located close to everything Dandenong has to offer. The location among family homes is perfect for raising children and the short distance to Dandenong Market and the train station is ideal for walking or quick drives. A low-maintenance lifestyle is on offer, with open-plan entertaining benefitting from both East and West facing windows. The rear dining room opens out onto a private patio with a small garden. Expertly appointed, the kitchen satisfies the home cook and the entertainer with equal success. It comprises stainless-steel appliances, wraparound preparation benches and a polished splash-back with an easy-clean approach to home life. Above, 3 good sized bedrooms with built in robes share a central bathroom. Further features include a European laundry and ground-floor powder room, ducted heating, dining room split-system air conditioning and a beautifully re-modelled bathroom with floor-to-ceiling tiling.
