\$325,000

Located on a quiet street in popular Dennington, this elevated two-bedroom unit offers the best views in the street, overlooking the Merri River and countryside. You'll enjoy a sense of space and tranquillity while still being a short walk from the shopping centre, supermarket, and other conveniences. The living space is located above the single remote-controlled garage, which also has room for extra storage. This elevation provides stunning river and rural views from the living room, one of the bedrooms, and the front sunroom. The enclosed backyard also has a side gate entrance allowing for two-step access to the home. Ideal for first-time homebuyers or renovation enthusiasts, 3/42 Tylden Street, Dennington is sure to catch the eye of many. Call us today to arrange an inspection!
