This oversized one bedroom apartment is set out perfectly in a lovely secure block of apartments. Walking into a large entranceway with a linen cupboard, you are then given the option of rooms to enter. Straight ahead is a great sized living room with a split system, double glazed windows with privacy film and double blinds. The bedroom is also very well sized with built in robes, double glazed windows, privacy film and double blinds. The main bathroom has laundry facilities. The kitchen is also off the entrance way. The kitchen has good cupboard space, ample bench space and a new oven. Located at the rear of this small block, it is an easy walk to the tram spot or a 5 minute drive to the freeway for access in and out of the city. Inspect by appointment or at an advertised time.
