There are some homes that just speak "family"; a home where you can instantly visualise your growing tribe living happily ever after. This immaculate tightly-held property is one such home.

Secluded in a private court that enjoys direct access to St Helena Bush Reserve, its icons make for impressive reading: five bedrooms, five living areas and three bathrooms on a generous 774sqm (approx.) block. Package that with zoning inside the St Helena Secondary College catchment area and it's a family home that ticks all the boxes for the large family.

A smart first-level floorplan comprising a large rumpus with balcony access, bathroom and two bedrooms with access to their own private retreat offers private quarters for extended family members; teenagers will also be eager to claim the entire floor for their own enjoyment!

A further four robed bedrooms (master with ensuite), family bathroom and elegant formal and relaxed communal living areas adorn the ground-floor layout, as does the bright family-sized kitchen and undercover alfresco, which enjoys a calming view across the in-ground swimming pool.

Featuring ducted heating, air-conditioning, abundant storage and established gardens, it's an inspired family upgrade moments from schools, transport, St Helena Marketplace and Greensborough Plaza.
