OFFERS OVER \$950,000

Classic and characterful, solid hardwood home built in the 1920's with high ceilings. Offering 4 bedrooms, 1 bathroom and two living areas plus extensive outdoor entertaining areas. The 4th bedroom with built in robes is separate to the main house and would also suit for a home office. Modern kitchen with gas hotplate, electric oven, dishwasher, ample storage & bench space. A cosy slow combustion fireplace for Winter and 2 air conditioners provides all year-round comfort. Private, semi above ground sparkling chlorinated pool in back garden. 8M x 4M garage with auto roller door for a vehicle & workshop plus a tandem carport attached to the house. 2.5KW grid connect solar, solar hot water, 45,000 litres of rainwater storage & traditional septic system. Positioned on a level 948m² in a peaceful street within walking distance to an award-winning restaurant. 10 minutes to Nambour for medical, schools, shopping, professional services and the rail & bus network.
