A residence clearly defined by its bespoke family design and instantly distinguished by its sleek designer vogue, this 4-bedroom plus study home reveals superb spaces for living, dining and entertaining against a landscaped cul-de-sac backdrop. Premier living begins at the kerbside with sculptural gardens before a rendered facade, stepping through a grand entry into an open-concept design of formal and casual living spaces with an artful separation of its vast family-focused proportions. A shimmering aesthetic continues with the utmost quality in the spacious gourmet kitchen, where a 900mm gas cooker, dishwasher and walk-in pantry ensure culinary ease for the avid home chef. Slide open the rear doors to a covered terrace enclosed with tracked cafe blinds, perfect for year-round entertaining beside the manicured grounds of its spacious rear yard. When night calls, the 5-star appeal of the main suite astounds with its lavish ensuite and fitted robes, separately zoned from three additional bedrooms and an open home office/third lounge space. Live a Sandhurst lifestyle in the way it was designed to be lived, just metres from Sandhurst Clubhouse, Champions and North Course walking trails, beautiful parklands, and premier recreational facilities. Additional features include evaporative cooling, ducted heating, and a double garage.
