GREAT LOCATION BUT IT NEEDS SOME WORK

Set just a short walk from the shops is this period style home. Over the years the home has been had metal cladding put around it and aluminum windows installed. The home is 4 bedrooms, a kitchen that needs some attention with a butlers pantry, large lounge and a batghroom with a shower over the bath, vanity and toilet. Outside there is a veranda around 2 sides of the house plus a double garage and storage shed which is accessed off the rear lane.

The property is being sold with 90% of the stuff inside the house and the sheds and in as is condition. We have no idea what works and what doesn't as the power isn't on, it is connected to mains water, sewerage and mains power.
