A coastal classic just waiting to be reincarnated, this 4-bedroom home offers an insight into memories passed, with an all-new lease on life inevitable for its spacious layout and courtyardside 860 sq. metre (approx.) allotment. A vibrant L-shaped lounge with a wood heater and new plush carpets welcomes an abundance of natural light through its large windows, wrapping around into a classic laminate kitchen and dining space ready for a modern touch. Entertain in retro style on the covered deck, standing sentinel over an inground pool and a huge rear yard ready for summer soirees. The master bedroom features a unique walk-through robe and ensuite design, separately zoned from three additional bedrooms with built-in robes around a family bathroom. Complete with split-system air conditioning, gas heating, a storage shed and a double carport, it sits moments from Mount Martha Primary, Mount Martha Village, Mount Martha Public Golf Course and the beautiful South Beach.
