This residence exudes sophistication with its Hamptons-inspired design and impressive features. Located at Malua Bay, this immaculately presented Hotondo home offers a flat-level layout ideal for easy accessibility. The property boasts 4 bedrooms, open plan living, and dining areas flooded with natural light. The main bedroom is a designer's dream with axon cladding, while the bathrooms feature custom-made vanities and floor-to-ceiling tiles. The kitchen steals the show with a 40mm stone benchtop, walk-in pantry, double ovens, under mount sink, double drawer dishwasher, and Phoenix tapware - perfect for entertaining guests. Additional features include a fenced yard, plantation shutters, ducted air conditioning, oak timber flooring, a keyless digital front entrance pad, a flake floor in the garage, downlights, and ceiling fans throughout. Conveniently located near Malua Bay beach and shops, this property is a must-see.
