THE CHOICE IS YOURS - BIG STAMP DUTY SAVINGS!

With the construction about to commence on these two stylish homes, it is now your chance to choose.

Firstly, which one suits you? Is it the 3 bedroom plus study with ensuite to main and double garage or is the 3 bedroom option more suitable?

Then you can get involved with certain colour selections and fit out options to suit your tastes such as tiles, kitchen and bathroom colors etc.

Both homes are built with modern facades, spacious rooms and key features including blackbutt timber flooring, split system air conditioning and gas central heating plus an undercover pergola for warm summer night entertaining. The best part is they will be fully complete including lawns and ready to turn the key and just move in with everything finished inside and out.
