\$280,000

Take a look at this modern construction three bedroom two bathroom home listed for the first time on the Longreach property market. Located on the north side of town in quiet culdesac, with three bedrooms, master including ensuite with split system cooling to all areas. The main living area is open planned, with kitchen living and dining, outdoor entertaining space to the back giving plenty of useable space. Practical consideration found in most modern construction homes including steel adjustable stumps, built in wardrobes, modern layout and split system A/C. The yard is yard is blank canvas, for whatever you hear desires, on a Yard blank canvas with 860m² to play with. A proven performer in the rental market, consistently tenanted for the nearly the full life of the property. This quality modern three bedroom home boasts everything a family or professional couple could need, don't just take my word for it, take the time to inspect.
