**For Sale: A Stunning Australian Contemporary Colonial Property in Warwick** We are delighted to present this unique opportunity to acquire a beautiful Australian Colonial property located in the heart of the sought-after suburb of Warwick. This property is not just a home, it's a lifestyle with an emphasis on entertaining. Boasting 4 generously sized bedrooms, all with built-in robes, this home provides ample space for a growing family or for accommodating guests. The master bedroom features a private ensuite, offering a sense of luxury and privacy. The home is equipped with a double garage, providing plenty of space for vehicles and storage. For those who enjoy DIY projects or need extra storage space, the property comes with a separate shed and workshop. The living spaces are designed for entertaining, with a spacious open-plan layout that flows seamlessly onto the outdoor areas. The garden is a true highlight of this property. Set on an expansive 800.00 sqm of land, it offers a private oasis for outdoor entertaining or simply relaxing in the tranquility of your own backyard. The property is also equipped with solar panels, providing an eco-friendly and cost-effective solution for your energy needs. This Australian Colonial property in Warwick truly offers the best of both worlds - the charm and character of a bygone era, combined with modern conveniences and a focus on sustainable living. Don't miss this opportunity to own a piece of Australia's architectural heritage in one of Warwick's most desirable suburbs. This property is more than just a home - it's a lifestyle. For further information or to arrange a private viewing, please contact us today. This property is expected to attract significant interest, so act quickly to secure your piece of Warwick's real estate.
