Sea-Escape With Views To Green Island!

Beautifully constructed, this Villina Masterton design won the HIA Home Industry Award in 2009 and upon inspection, you will understand why! Sleek and sophisticated the Villina is a luxe and versatile retreat and 3 Seascape Close, Narrawallee is the ultimate address for such a home - with stunning ocean views all the way to Green Island.

Entertain in style on the lower level with a formal lounge or relax in the more casual family and dining area with glass doors opening out to the alfresco entertaining area. The kitchen features an oversized island bench, plenty of storage, a pantry, dishwasher and gas cooktop with electric oven. From the alfresco areas there is covered access to the double garage/workshop and carport - perfect for the handyman or tradesman and ideal for storing the boat and caravan.

Upstairs is the ideal space to relax and unwind with a spacious lounge area with balcony access and stunning ocean views. All of the bedrooms are spacious with BIR's and the Master Suite is stunning with a beautifully appointed ensuite and generous WIR. The main bathroom includes a bath, shower, vanity and WC. Working from home or studying will not be a chore in the beautifully appointed office/study with plenty of natural light and of course stunning views!

Featuring landscaped gardens with an abundance of citrus and fruit trees, the front garden enjoys beautiful views of the ocean and is the ideal spot to relax with a morning coffee and a good book. With Garrad Reserve a short stroll away, you will enjoy access to beautiful bush walks and riding trails all leading to the picturesque Narrawallee Inlet - ideal for fishing, swimming and kayaking.

"What we love about our home"

- Our House is situated in a quiet, peaceful Close.
- Our position in our street gives openness and expansive views.
- We're visited daily by many birds and often by a family of kangaroos.
- Our landscaping provides private, pleasant options for rest and relaxation
- Views Sea-ward
- Distant sea views from downstairs are surprising, but from upstairs are amazing.
- The sounds of the sea at night makes for a soothing sound sleep
- Our north-easterly position lets us enjoy sea, sand, island and headland views in every weather condition.
- Sunrises are just beautiful
