SPACIOUS FAMILY HOME

With a few cosmetic improvements this large PVC clad home could be your new Castle. With 3 double bedroom an ensuite, split system and walk in robe in the main, large dining area, comfortable lounge with a split system, kitchen with electric appliances and a large walk in pantry, an office and a separate sewing room this home ticks a lot of boxes. Outside there is a long steel framed carport, timber pergola, and an old garage all on a low maintenance well fenced block.
