Here's a stunning new build that will be loved by large families. Featuring everything you could possibly want in a property sitting on a corner block.

Let's start with a double garage that opens into the house. The front entry is large and spacious with soaring 2.59 ceilings and opens to the stairwell. There's an internal launder with a ton of space next to that and continuing down the hall there's a large open plan Kitchen/lounge/dining with alfresco. There's an island bench with breakfast bar and the gourmet kitchen is an entertainer's delight featuring a 900mm cooktop and oven plus a large walk in pantry.

The icing on the cake downstairs is the large guest room with built-in robes and a bathroom with shower. Perfect for stay and play or visiting in-laws.

Upstairs we have a second living area or rumpus, your call. There's three oversized bed rooms with built-ins. The huge master bedroom features a walk in robe and an ensuite. The floor is finished with a bathroom featuring a freestanding bath plus shower.
