The house is situated in a quiet street close to Northland shopping center, which is convenient for both shopping and leisure. Additionally, its easy access to the CBD is a great advantage for those commuting to the city.

Size and Layout: The family home boasts four generous-sized bedrooms, providing ample space for families or downsizers. This suggests that the property is suitable for various living arrangements.

Kitchen and Meals Area: The spacious kitchen/meals area with gas appliances is likely to be a focal point for daily activities and gatherings. Gas appliances can be a desirable feature for cooking enthusiasts.

Bathroom: The central family bathroom adds convenience and accessibility for all residents.

Parking: The availability of plenty of off-street parking is a practical feature, especially for families with multiple vehicles.

Outdoor Space: The large rear yard with a shed and covered outdoor area at the rear enhances the overall appeal of the property. This outdoor space can be valuable for recreation, gardening, or entertaining guests.

Proximity to Amenities: The property's close proximity to Northland shopping center, public transport, local schooling, parklands, and Summerhill shopping center is a major advantage, providing residents with easy access to essential services and recreational areas.

Overall, this property seems to offer a comfortable and convenient living environment with a range of features that cater to the needs of both families and downsizers. If you have any specific questions or if there's more information you're seeking, feel free to ask!
