Character home / striking architect-designed extension

This freestanding character home, featuring striking architect-designed additions by Adriano Pupilli Architects, is a contemporary masterpiece that beautifully complements the original period structure, creating an experience of aesthetic appeal and wow factor. Taking full advantage of its sought-after northeast-facing backyard, the space flows seamlessly with multiple sliding doors and an outdoor deck, inviting you to connect with the lush garden surroundings. Thoughtfully designed with indoor/outdoor harmony in mind, it balances extensive floor-to-ceiling glazing, louvre windows & timber-batten privacy, offering both openness and a sense of natural seclusion.

Highlights

- * Freestanding architect-redesigned home
- * Large separate living/entertaining spaces
- * NE-facing site of incredible natural light
- * Expansive glazing & timber batten privacy
- * Polished concrete kitchen/bathroom
- * High ceilings, floorboards & natural finishes
- * King parents' wing, luxurious ensuite, tub
- * Abundant storage throughout plus attic
