MID MILLIONS

Experience unmatched luxury in this expansive residence, perfectly situated on a generous 1308m² block. Offering 289m² of opulent living space designed for both comfort and sophistication. Step inside to discover a spacious floor plan tailored to accommodate large families and multi-generational living. Enjoy relaxation and peace in any of the five generously sized bedrooms with built-in robes, or unwind in the numerous living areas available. The oversized kitchen boasts top-tier appliances and serves as the heart of the home, seamlessly connecting to open living, dining, study, home cinema, and games rooms. The expansive alfresco area ensures ample space for hosting large gatherings. Convenient side access is ideal for parking a van or trailer, while the Bali-inspired pool and spa area, surrounded by lush landscaping, provides a tranquil retreat for year-round staycations. Additional storage is available in the garden shed for all your tools and equipment. Features include plantation shutters, wainscoting panels, an electric gas fireplace, gas heating, ducted reverse cycle air conditioning, instant hot water, a 4kw solar array, and a low-maintenance astro turfed rear yard with summer cooling reticulation. Don't miss this opportunity to own your slice of The Vines!
