We have not verified whether or not that information is accurate, and do not have any belief one way or the other in its accuracy. We do not accept any responsibility to any person for its accuracy and do no more than pass it on. All interested parties should make and rely upon their own inquiries in order to determine whether or not this information is , in fact, accurate. If a property is advertised as Pet Friendly, this implies that the owner may accept applications with Pets and not that the property itself is secured for animals. It is still the tenants responsibility to determine if the property they are applying for is secure for their animal and if approved maintain a secure enclosure for their approved pet.
