4-Bedroom Townhome Brimming with Modern Comforts and Conveniences

Situated within Werribee's master planned Harpley community, Main Road Real Estate proudly presents 30 Heathwren Way - a contemporary dual level townhome designed for modern low-maintenance living, nestled in an ultra-convenient neighbourhood with every amenity in reach.

Stepping inside, the home begins with a traditional entryway, flowing throughout the home, culminating in the open-plan living and dining zone. Fostering a sense of connectivity, maintaining space for each function, while keeping loved ones together throughout elevated everyday living. Making a seamless transition outside to the sunny backyard, soak up the sun or dine alfresco, while kids and pets can enjoy the space, running and playing.

Superbly appointed, the contemporary galley-style kitchen showcases quality stainless steel appliances, including gas cooktop, under-bench oven, and dishwasher, complemented by a deep double sink and an abundance of storage throughout, encased in Scandi-inspired cabinetry. Completing the picture, the feature breakfast bar creates an informal eating area, or is an ideal perch to sit and keep the chef company.

With a total of four spacious sleep sanctuaries throughout, a master suite is conveniently located on the ground floor, and enjoys a walk-in robe and access to a two-way bathroom. Heading upstairs, an additional master awaits, similarly fitted with a walk-in robe plus a private ensuite, while bedrooms three and four are each fitted with built-in robes for excellent storage capabilities.

Comprising three bathrooms plus one powder room, with the status quo being glass showers, vanities with storage, and sleek toilets, paired with an edgy colour scheme offsetting charcoal against crisp whites. Whether you're getting ready for the day or unwinding at the end of the week, each bathroom strikes a balance between elegant and practical.

Other features include a double undercover carport, European laundry, and reverse-cycle split-system heating and cooling for year-round comfort.

Perfectly positioned for both convenience and easy living, stroll to Harpley Town Centre, Lollypop Creek Primary School & Community Centre, Tundra Esplanade Park, Walcom Ngawrra Secondary College, and St Joseph's Catholic Primary School. Meanwhile, a short drive unlocks further amenity, including vibrant Watton Street shops and eateries, Pacific Werribee for greater retail and entertainment offerings, and Werribee and Wyndham Vale Stations for easy commutes to Geelong or Melbourne.
