## Family Charm

Welcome to this charming 4-bedroom family home, perfectly situated in the peaceful enclave of Jesson Crescent, Dandenong. This property offers ample space for the whole family, featuring multiple living zones that provide flexibility for any lifestyle. The spacious bedrooms provide plenty of room for relaxation, while the modern bathroom, complete with 2 bathrooms, offers a serene retreat at the end of a long day.

The heart of this home is the expansive kitchen, fully equipped with a dishwasher, oven, and gas hot plate, making meal preparation a joy. Step out onto the small rear deck area, perfect for morning coffees or weekend barbecues. The home's heating and cooling systems ensure comfort all year round, while the double carport provides convenient parking and additional storage space.

Location is everything, and this home delivers in spades. Situated just minutes from Minaret College, it is perfect for families seeking quality education nearby. The property borders the scenic Robert Booth Reserve and playground, offering endless opportunities for outdoor activities and family fun. With close access to public transport, commuting is a breeze, making this home an ideal choice for busy families.

In addition to its current charm, 30 Jesson Cres presents potential for redevelopment (STCA). Nestled in a quiet street location, this property is a prime investment opportunity for those looking to expand or renovate. Don't miss your chance to secure a versatile home in a sought-after area-book your inspection today!
