WOW FACTOR HERE

As soon as you pull up in front of this home you'll be keen to see more. The home features a spacious open plan living area with gas stove and ample cupboard space, 3 bedrooms with BIR's, huge bathroom and a laundry with the convenience of a second shower. You will be kept comfortable all year round with the free standing wood heater, evaporative cooler and a split system.

Outside the home really moves to another level with the manicured lawn and garden beds, a large brick paved pergola, single garage, 2 garden sheds, 3 rain water tanks and a carport that is accessed off the very handy rear lane.

Put this property on your must see list and inspections are strictly by appointment.
