In this exceptional convenient location, where there are plenty of lifestyle choices on your doorstep, is this much-loved solid brick residence. Just refreshed, its presentation is sure to provide its new residents with that warm and inviting feeling of being home sweet home. Its generous floor plan is a hallmark of this tightly held and highly regarded residence which has a light & airy spacious layout over two exciting levels. Immediate solutions for independent living when sharing will instantly be noticeable throughout the home offering a very flexible floorplan easily accommodating at least 6 bedrooms, 2 living areas, 2 bathrooms and a proud kitchen naturally adjoining informal casual dining and living areas. Other comforts & necessities include Ducted heating, ample cooling options, dishwasher, 2 bathtubs, side driveway for ample off-street parking, brick garage/studio, loads of loveable charm and the ease of having your gardens maintained during your tenancy. The One You've Been Waiting For...
