A prime location directly opposite a nature reserve sets the scene for an ideal family lifestyle in this smartly upgraded and well-proportioned four-bedroom residence. Featuring light-filled open interior spaces, private entertainment areas and a versatile two-level layout, it offers a fresh and bright home on an established garden block that's set up high to capture an elevated outlook over the surrounding bushland. Here you can relax in blissful privacy and know that the bus stop, local schools and Cherrybrook shopping village are literally minutes from the front door. Smart modern updates give the home a fresh modern feel. Quietly nestled onto a 756.1sqm block with front and rear gardens. Spacious dual level living with separate lounge, dining and rumpus areas. Large covered alfresco patio that's ready for year-round entertaining. An expansive and secure level backyard that's ideal for kids and pets. Renovated kitchen with stone benches and stainless-steel appliances. Four well-scaled bedrooms feature a master with ensuite and walk-in. Extra upstairs living space plus a study/home office on the ground floor. Generous two-car garage with storage plus plenty of additional parking. School catchment for Cherrybrook Tech High, walk to John Purchase Public
