**780 square meters, low set brick in quiet, convenient location.**

Everything you want is right here.

Whether it be your first family home or the next addition to your portfolio, this spacious fully refreshed home has so much to offer.

Just minutes from numerous shops, schools, and parks, 31 Redwood Street is conveniently positioned in quiet, family friendly neighbourhood.

Brand new carpets and a total interior paint compliments 3 large built-in bedrooms along with an open plan living & dining layout.

A large, contemporary kitchen, newly renovated bathroom and a spacious outdoor alfresco enhance the comfort this property has to offer and optimises modern day family living.

The huge 780m<sup>2</sup>, pet friendly block also provides a single lock up car garage with internal access and an additional shed at the rear.

Previously serving as a wonderful investment property, the property is now vacant and screaming out for its proud new owner.
