This massive 5 or 6 bedroom home is perfectly positioned around the centre of 2 acres of prime real estate with expansive sea views, just a 5 minute drive to the main town of Kingscote. For the extended family, or those with an entrepreneurial flair, this home has it all. The homestead itself, soundly constructed of brick veneer is in pristine condition and features a huge Blackwood gourmet kitchen with large walk-in pantry, which opens onto one of the 3 spacious living areas, complete with combustion heater. The home also features a home office and five double size bedrooms. The master suite, set well away from the other bedrooms, boasts a walk-in robe and large ensuite, and three of the other bedrooms have generous built-in robes. The exterior of the home offers full length decking facing the sea views to the east, alfresco outdoor entertaining area, double lock up garage plus freestanding double shed, all surrounded by established lawns, gardens and fruit trees. Another benefit to the lucky buyer is the solar electrical system and Tesla battery, meaning little or no electricity invoices for the new owner.
