Ethan Forbes from LJ Hooker is delighted to represent 31 Wood Crescent, here in Baringa. This home is positioned on a 350m² block & boasts 3 generously sized bedrooms, including a king-size master suite, an expansive family-style kitchen with ample storage, ducted air-conditioning throughout, expansive undercover alfresco area in the back, and an array of additional amenities. This home is the pinnacle of Aura living.

Superior in street appeal, this residence boasts established pandanus in the front yard for both privacy & style. Custom timber & stone work complete the modern coastal look. On entry, you're instantly greeted to the open plan layout and abundance of natural light. To your left you'll find the media room, complete with decorative openings in the wall that look out onto the living room. The master suite is second to none with a his & hers double vanity, a large walk in robe & a stylish ensuite finished with large grey tiles & wood look cabinetry. The open plan design here really creates a palace feel, not to mention it's a breeze to clean.

From here is where you'll find the heart of this home: The large living, kitchen & dining room, complete with a vaulted ceiling and multiple ducted air points. The kitchen includes a large 900 gas cooktop and plenty of storage in the conveniently placed walk in pantry. Just beyond that, the expansive alfresco area awaits your indulgence. The undercover area has been thoughtfully customised with a tiled finish to create the ideal space for lounging around, or for entertaining. Topped off with a beautiful chunk of buffalo turf & you have the ultimate low maintenance outdoor sanctuary! For the savvy buyer, this home also includes a large water tank in the back to reduce your water bills, and solar panels on the roof.

Convenience awaits with the IGA, Baringa Tavern, coffee shops, schools, doctors, and public transport all within walking distance. Surrounded by parks and walkways within the leafy Aura estate, this residence offers a harmonious blend of comfort and accessibility.
