Enjoy relaxing in this three bedroom home, with the beautiful countryside and scenic views all over whilst only being an (approx.) twenty six minute drive to Coffs Harbour's CBD, where you have everything at the tips of your fingers whilst still enjoying a retreat from the business of the city. Before entering you are greeted with a lovely undercover veranda, the perfect place for drinking your morning coffee in the country air. Leading inside, featuring a renovated open plan living, dining and kitchen area boasting reverse cycle air conditioning and wooden floorboards and the modern kitchen offering plenty of storage and bench space for cooking up a storm. All three spacious bedrooms are carpeted for comfort and are serviced by the combined modern bathroom and laundry. There is also an open study area, offering a quiet place to focus and do home work or work from home. Outside features an undercover veranda and a spacious fenced yard. Parking consist of a double undercover carport with an additional mudroom outside. This renovated home is sure to be popular, enquire now! Pets maybe considered upon application. Please note there will be more photos to come.
