NO INTEREST PAYMENTS DURING CONSTRUCTION Prestons is recognised as one of the most sought after suburbs in Sydney's south-western region. This tightly held residential pocket was once an environmental zone, located in a portion of remnant Cumberland Plain - it still maintains its rural charm to this day. ABOUT THE PARKDALE - its integrated living spaces delivers an open plan kitchen, family and dining area, where you can entertain with family and friends. A separate living space/office and powder room finish the ground floor while on the upper floor, four bedrooms including master bedroom with ensuite and a walk-in robe. The Parkdale 179 is designed specifically to suit this allotment and offers generous outside spaces, wide side passages and generous yardspace for the kids, family entertainment or for your active pets. If you've never built before you'll appreciate OUR EXCLUSIVE HOME OWNERSHIP PROGRAMME where you'll have NO INTEREST PAYMENTS DURING CONSTRUCTION!!!
