In an elevated and private setting split across two levels, the extensive floor plan has been cleverly configured with the living areas featuring on one side of the home and the bedrooms down the other. Stairs from the main living room lead down to a huge family rumpus room, which would work beautifully as a teenage retreat or as handy guest accommodation with landscape decking and own private access. 4 bedrooms (two with built-ins) renovated family sized bathroom and separate WC. The master bedroom has the added bonus of an ensuite. Large functional modern kitchen and dining space with adding to the vast amount of living space on offer. Big windows and glass sliding doors characterize the look of the home and create light-filled living spaces. Kids and pets alike will love the large backyard with a sunny northeast aspect and keeping an eye on the kids is easy from the shade covered back patio - another delightful spot to relax in and unwind. It's tucked away in one of the best streets in Allambie with everything at your fingertips for a wonderful family lifestyle on the Northern Beaches. Excellent Allambie Heights PS is the local catchment, beautiful Manly Dam is nearby, and there are Manly and city bound buses at the end of the road.
