Big House - Needs a refresh

Former original executive home in the heart of town boasting formal lounge and billiard/rumpus room AND detached studio.

This home has some bold décor but would respond well to a 2024 makeover.

What we like about this property:

- Corner site - driveway off side street
- High ceiling and architectural design
- 3 living zones
- Outdoor living
- Detached studio/office/retreat
- Periodic lease - \$600 per week
