Type: House

Warren Andrews

**\$289,000**

Former original executive home in the heart of town boasting formal lounge and billiard/rumpus room AND granny flat. This home had some bold décor but would respond to a 2024 makeover. What we like about this property: • Corner site - driveway off side street • High ceiling and architectural design • 3 living zones • Outdoor living • If renovated rent approx. \$600 per week
