## **Newly Renovated Family Home!**

This recently renovated home offers a bright and contemporary design with four generously sized bedrooms, all with built-in robes, including a master bedroom with a full ensuite.

The spacious kitchen, with brand-new benchtops, serves as the heart of the home and connects effortlessly to two separate living areas. It features all new appliances, including a dishwasher, stainless steel rangehood, upright stove/electric oven combo, and plenty of storage.

Outside, you'll find a large pergola that's ideal for entertaining, set within a low-maintenance yard. The property also includes a double remote garage, offering secure parking and additional space for a boat or caravan.

The home has solar panels, ducted heating and cooling, split system air conditioning, floating floorboards, and more.

Located within walking distance of Pacific Werribee, shops, parks, and Cambridge Primary School, this home offers both comfort and convenience. Please bring photographic ID to the inspection.
