A rare find in the heart of Blinco Street Arts Precinct puts you right in the cool quarter. This freshly painted larger home won't last long. It has three bedrooms, two bathrooms (master has a large ensuite), plus there is a study, sunroom and off street parking. A large kitchen, family room and lounge with a fireplace offers plenty of space for relaxing and spreading out. The location offers plenty of recreational facilities such as the beautiful Booyeembarra Park, the skate park, Fremantle public and private golf courses, Stevens reserve and is an easy walk, 1 km, into Fremantle with all it has to offer food, dining and entertainment wise. It is a home with plenty to offer, so if you are looking for a larger abode this is definitely worth a look.
