Newly constructed architecturally designed family residence and sensational entertainer

Classical symmetry and an elegant French Provincial aesthetic welcome you to this superbly scaled and exquisitely finished architect-designed haven. Spanning two luminous levels and spilling out to a marvelous alfresco dining area overlooking a sparkling mosaic pool, the home provides ample space for the bustle of everyday life and sets a stylish stage for sophisticated gatherings. It is conveniently located on a premium street within easy reach of schools, shops, restaurants and transport.

- Expansive main living/dining space flows out to luxe entertainers' terrace
- Impressive reception with fireplace and versatile upstairs retreat or study
- Opulent chef's island kitchen with a full butlers' pantry and a wine cellar
- Deluxe family bedrooms and a guest room are all served by lavish bathrooms
- Herringbone timber floors, marble accents, custom joinery and ducted air-con
- Tandem lock-up garage, abundant storage solutions and manicured level lawns
