Imagine coming home to a place where every corner whispers comfort and every space invites you to relax. Welcome to 34 Hume Street, West Mackay, a home that perfectly marries modern updates with the warmth of a well-loved family haven.

As you step through the front door, the formal lounge on your left greets you with an air of sophistication. The new flooring underfoot and the soft glow of updated lighting set the tone for what lies ahead. The lounge, complete with split system air conditioning, stylish shutters, and a fresh, contemporary vibe, becomes the heart of your home—a place where family memories are made, and everyday life feels just a little more special.

The journey continues as you explore the expansive living areas. Picture yourself in the vast dining room, a space so versatile it easily transforms into a second entertainment hub. Whether it's a lively dinner party or a quiet evening with loved ones, this room is where celebrations unfold.

The kitchen, with its electric stovetop, oven, and dishwasher, is more than just a place to prepare meals; it's where culinary creativity takes flight. The thoughtful layout ensures everything is within reach, making cooking a joy rather than a chore.

When it's time to retreat, the oversized bedrooms offer peaceful sanctuaries. The master suite is your private escape, featuring a walk-in robe and an ensuite that feels like your personal spa. The circular mirror above the vanity adds a touch of elegance, while the spacious shower invites relaxation. Each of the additional bedrooms is equipped with split system air conditioning, built-in wardrobes and fans, ensuring comfort no matter the season.

Step outside, and you'll discover a backyard designed for endless enjoyment. The saltwater pool, shimmering under the sun, beckons for a refreshing dip, while the surrounding entertainment area is perfect for summer barbecues or quiet evenings under the stars. And for those who need extra space, the high-clearance shed is a dream come true—whether you're storing your boat, setting up a workshop, or just need room for all your toys.
