PARK VIEW PROPERTY WITH UNTOLD APPEAL

Revealing appealing features sure to grab the attention of genuine buyers from families to investors, this property should be considered essential viewing.

The setting certainly works in its favour, with a fabulous playground and lake reserve opposite and education centres, food outlets and more nearby.

To describe the solid, modern home has spacious, would be an understatement, and the lot is a good-size yet manageable.

Relax and take in the park views from the semi-open front lounge, catch a movie in the separate double door rear media room, or savour family time with the kids and entertain friends in the expansive high pitched ceiling, sunny aspect open plan hub or out under the patio.

The kitchen offers the recipe for success, with in-vogue cooking appliances and loads of storage and bench space at your disposal.

The entire rear area of the home and the fully-fenced and private backyard enjoy a sunny aspect, making them superb year-round go to places to chill, party or potter.

Just off the front foyer is the adults' domain. Wake to park views and enjoy the space on offer in the walk-in robe and ensuite, with separate toilet.

The family wing off the open hub has its own sense of privacy and space, with superb bedrooms and mirrored robes and a three-zoned bathroom and double garage access.

The centrally located laundry offers lots of sensible storage, plus a secluded separate outdoor drying space.

Embrace the position, living space, lot and lifestyle or income potential of this sizeable property.
