Leafy in Long Beach

This well maintained cottage nestled amongst natural bushland is the perfect home away from home. This bolt hole at the coast is 400m to a family friendly beach and has been my owners hideaway for the last 12 years. A quaint two bedroom open plan design with lots of windows for sun to stream through to the renovated interior. Boasting a versatile kitchen renovated only four years ago. Oversized blackbutt timber deck, ideal for lazy afternoons with a glass of wine and charcuterie board. This coastal gem will be a favourite weekend for friends and family as a beachside destination.
