Charming home on large block with side access and workshop

Situated in historic Wilberforce, where most homes still rest on spacious blocks, this easy care rendered residence suits first homebuyers or those downsizing from acreage. Set on a 1,012m² north facing level block, this block is steps to Wilberforce Public School and park, while handy to shops.

- Welcoming front courtyard opens to the living and dining area
- Expansive sunroom for seamless indoor/outdoor entertaining
- Private level backyard with convenient side access to the workshop
- Combined kitchen and dining area with gas cooktop & dishwasher
- Three bedrooms, including two fitted with built-in wardrobes
- Generously sized bathroom with separate powder room
- Split system air conditioning, slow combustion fire, ceiling fans
- Paved outdoor area - perfect for a pergola or barbeque area
- Connected to town water plus an extra water storage tank
- Garage plus workshop with side access for truck/caravan/boat
