Incredible Vistas from this Luxurious Barn Home

Incredible views and a luxurious family home hidden away in privacy are what awaits the lucky buyer of this incredible property located at 346 Frys Road, nestled neatly in the Otway Ranges just outside of the Gellibrand township. With a wealth of space and comfort available throughout this expansive and unique offering there is sure to be something that will entice anyone looking for their next home.

The striking barn style home fits in wonderfully with the landscape and house three spacious bedrooms and two bathrooms as well as vast living and dining spaces over two levels. The very generously sized master bedroom features a corner ensuite with stylish vanity and fittings as well as spectacular views over the Otway Ranges and a large walk in robe. The second floor lounge space also gives access to stunning vistas as you move out onto the huge undercover balcony.

The ground floor features a warm and comforting living space with open plan living and dining adjoining the kitchen. A wood fire heater will ensure warmth throughout the house and a large study area give you space to work from home without distractions. The main bathroom features a spa bath that faces toward the rolling hills so that you can relax and take in the scenery. The home also has internal access to a drive through 2.5 car garage with storage a plenty.

Outside of the home, large shedding consists of a two bay garage and workshop as well as another two bay open front shed space all with power and water. There is also a shack at a lower section of the land that features established power and tank water connections that would make a cosy getaway for guests or the kids. Three 23,600lt tanks ensure that water is never an issue and a 20 panel, 5.3kW solar system plus mains power will keep your lights on without issue.

This property is as spectacular as it is unique and well worth a look if you are interested in space, comfort, and privacy while enjoying all that the Otway ranges have to offer. Call today to register your interest.
