Significant Single Level Appeal

This single level design's bright, inviting spaces have a secluded central alfresco area as their focal point. The stylish, wide boards of engineered timber flooring define a generous living/dining domain that flows to the sky-lit kitchen zone where stone benches, a walk-in pantry and stainless steel appliances perform perfectly while sliding glass reveals the patio's proportions. A main bedroom with a walk-in robe and ensuite, two further bedrooms, each with a courtyard aspect, and a bathroom featuring a separate bath and shower complete the indoor picture. Ducted heating and the living area's split system unit ensure total comfort in a home that's further enhanced by a rear garden retreat and secure, internally accessed garage. Second Avenue Grocer, Langshaw Reserve, Altona North Primary School and The Circle lead the location's catalogue lifestyle attractions.
