Swimming pool, modern kitchen, a great family home

Welcome to this stunning family home that perfectly blends comfort and style. This residence features three spacious bedrooms, including a master suite complete with built-in robes and a split system air conditioner for year-round comfort. The second bedroom also boasts a split system, ensuring a cozy atmosphere throughout the home.

The heart of the home is a modern kitchen equipped with stainless steel appliances, including a stainless steel oven and dishwasher, split system A/C and overlooks the large meals area.

The large lounge room provides a welcoming space for relaxation, also featuring a split system air conditioner. With a beautifully tiled bathroom and thoughtfully designed living spaces, this home is perfect for families and entertainers alike.

Step outside to discover two inviting entertaining areas, ideal for hosting gatherings or enjoying quiet moments in the sun. One of those entertaining areas overlooks the expansive swimming pool invites you to unwind and enjoy those warm summer days.

Additionally, a massive shed partially converted into a games room offers endless possibilities for recreation or storage. This area has a combustion heater and A/C while also having direct access to the pool area.

Large carport under the main roof and solar panels to keep the electricity bills down.

Don't miss the opportunity to make this remarkable property yours!
