Take the chance to restore, reimagine and renovate this authentic art deco home to your own fine tastes. The originality of its intricate lead-light windows, rich timber floors and original fireplace are your sources of inspiration for a whole new make over. Its generous rear yard allows for a contemporary extension, or you could easily knock down and rebuild or reap the benefits of its corner position and build multiple units (STCA). Positioned in a fabulous location within close proximity to High Street shopping/dining, local cafes, public transport, schools and parklands.
