This one is a beauty! Situated in the heart of Woy Woy's best position- The Garden of Adin, this home has been immaculately kept in the same family for a number of years but the time is right to pass it on to the next generation. Always popular with first home buyers and investors, key features of this house include:- Three bedroom red brick home- Large windows to allow plenty of natural sunlight - Polished timber floorboards throughout- Updated bathroom with second toilet in the laundry- Over sized garage with lights, power and gun safeThe land size is 506m2 (approx) but the best feature here is the location which is just a 700m walk to the town centre and 400m2 to the waterfront reserve. Homes in this area sell very quickly, please contact Ian Willis on 0421780513 for more details or to arrange an inspection.
