36 Davies Street is a well-maintained updated home located a short distance from the main shopping/services precinct of George Town. The floor plan is flexible having a totally separate dining space (which could easily be a 2nd living room), enormous kitchen that would comfortably take a dining setting, along with a large living/family room. Keep comfortable all year round with a reverse cycle heat pump in the main living area along with a cosy wood heater that will sure to get a run over the coming frosty months. It offers 3 good sized bedrooms, all carpeted and 2 with built in wardrobes. The neat bathroom will suit a family with its spacious shower bay, bath & separate toilet. Outside will appeal to those who are not blessed with a green thumb – easy care, just mow the back lawn and you are done.
