## Mid \$600,000's

Welcome to 36 Kuranda Crescent, a charming 3 bedroom, 2 bathroom house located in the rainforest village of Kuranda. This property boasts a spacious parcel of land that the current owners have tamed into a mix of rainforest and lawned areas. Perfect for those who love outdoor living but don't want to feel hemmed in by the forest. The most outstanding feature of the home, apart from its location, is its design. Inside, you will find a cozy living room, a well-appointed kitchen, and a dining area perfect for entertaining guests. Two of the bedrooms are on the ground floor and share the family bathroom. The main bedroom is on the first floor and has an ensuite and its own private deck looking out towards the river. But the geodesic design that shapes the home and its heart is the real star here. This is not your cookie cutter home. Daring to be different, this home is in great condition and melds seamlessly into its environment. Now for the location. Outside the rear fencing is a pathway that takes you to the Kuranda falls and below that is the Kuranda Train line. With no chance of flooding the home is located in an area of natural beauty that is synonymous with Far North Qld. Outside, the property offers a lush backyard with plenty of space for a garden or outdoor seating area. The double garage provides ample space for parking and storage. Located in a quiet and peaceful neighborhood, this property is perfect for those looking for a serene retreat away from the hustle and bustle of the city. With a price guide in the mid \$600,000's, this property offers great value for its size and location. Don't miss out on this opportunity to own a beautiful home in Kuranda.
