QUEENSLANDER ON 2.5 ACRES

First time on market in 27 years! Great location in prestige precinct, this property has lots of potential. Set on 2.5 acres with mature trees, a dam and lots of level grassy areas for kids to play or ride their bikes. The park like setting offers privacy from neighbours to ensure a relaxed lifestyle! The house has 3 bedrooms (one upstairs), high vaulted ceilings, louvre windows and timber floors. Large sliding doors open out to two decks from the living and dining areas and linked by a narrow verandah. The kitchen was renovated two years ago and offers lots of cupboard space and modern appliances. Every room in the house has a greenery outlook that comes with abundant birdsong!
