Welcome to 362 East Street, Depot Hill, this entry level home is one truly not to miss.

This property offers a cottage look street appeal, giving you a nice, homely feel. Internally the home is fitted with 4 bedrooms, the front 2 bedrooms offer, new paint and new carpet, enhancing the feel throughout the home. The second 2 bedrooms offer pine timber floors, as well as raised ceilings and further new paint. The 2 larger bedrooms also feature air conditioning aswell as the lounge room.

The living areas are designed in an open plan layout, offering a timber kitchen fitted with modern appliances and ample amounts of storage for all your kitchen needs. The large living area is adjacent to kitchen perfect for all types of entertaining. The main bathroom has been fully renovated and offers large amounts of space with a walk-in shower and large vanity space. The lower level of the home offers a covered laundry area, aswell as a second toilet, also being fully concreted underneath allows for more storage or potential entertaining.

The property is situated on a 506m² allotment, that is fully fenced. The external of the property has been repainted continuing the work form the interior, giving more to the homely feel. The rear stairs have been replaced & restored. Additionally this property has rear lane access and a large carport perfect for storing caravans or any other equipment.

This property is a prefect first home or investment property, going to Auction onsite at 10am on the 21st of September, enquire today!
